Notice-and-Access

The Corporation is using notice-and-access to send this notice of meeting and the management information circular of the Corporation (the “**Management Information Circular**”), as well as the Audited Financial Statements and accompanying management discussion and analysis (collectively, the “**Proxy-Related Materials**”) to beneficial and registered holders of its Common Shares. Under notice-and-access, you still receive a proxy or voting instruction form enabling you to vote at the Meeting. However, instead of a paper copy of the Proxy-Related Materials, you receive this notice of meeting which contains information about how to access the Proxy-Related Materials electronically.

The Corporation is sending the Proxy-Related Materials directly to beneficial owners of its Common Shares who have not objected to an intermediary disclosing their beneficial ownership information. The Corporation also does not intend to pay for the cost of intermediaries to deliver the Proxy-Related Materials and the form of proxy (or voting instruction form) to beneficial owners of its Common Shares who have objected to an intermediary disclosing their beneficial ownership information. Such objecting beneficial owners will not receive such materials unless the intermediary assumes the cost of sending these materials to them.

The Management Information Circular and form of proxy (or voting instruction form) for the Common Shares provide additional information concerning the matters to be dealt with at the Meeting. **You should access and review all information contained in the Management Information Circular and form of proxy (or voting instruction form) before voting.**

Shareholders with questions about notice-and-access can call Broadridge Investor Communication Solutions at 1-855-887-2244.
